

## Bringing baking to the boys!

Inspired by Great British Bake Off, Duerr's, the oldest family owned jam maker's in the UK, has decided to show you that you don't have to be a master baker to crack a firm bottom.

Ideal for novices in kitchens across the nation, this new online baking series shows even the least likely how to stiff a meringue, pop their buns in the oven and produce a perfect ring.

Presented by Richard Duerr and Paul Dineen, 'Duerr's Masterclass - Baking for Boys' is a selection of four straight-talking, tip-laden, pun-tastic, easy-to-follow episodes bringing you a cheeky slice of the best in home-made British puddings.

So what are you waiting for? Whip our your 'pin, floor your surface and get stuck in with God's own tools because if Richard and Paul can do it – so can you!
