

Duerr's launches Cash For Kids Bake Off with Key 103

Duerr's has teamed up with Key 103's Cash for Kids Day to raise £100,000 for Wythenshawe (UHSM) Hospital Outpatients Department!

The aim is to transform a concrete wasteland into a garden area to be used by 8,000 children.

Register for free jam

As passionate bakers Duerr's is encouraging as many people as possible to host a cake sale or coffee morning on 26th April to raise vital cash. To lend a hand, Duerr's will provide the **first 200 companies, schools or individuals**, who register their details via this [form](#), with jars of jam.

The jars can then be collected from either Key 103's offices [Key 103, Castlequay, Castlefield, Manchester M15 4PR] or Duerr's reception [Floats Rd, Roundthorn Industrial Estate, Wythenshawe, Manchester M23 9DR] between Monday 22nd to Thursday 25th April. One of the lovely team at Key 103 will give you a call to arrange a pick-up time.

All that's left is that fundraisers across Manchester hold a cake sale packed full of firm bottoms and sticky moments that do the patron saint of baking - Mary Berry - proud. Happy baking!
