

## **Duerr's Paralympians Update 10/09/12**

This weekend, on the penultimate day of the games, we saw Natalie Jones clinch 7th place in the 100 Freestyle S6, cheered on by her husband Rik Waddon.

Duerr's are incredibly proud of Natalie, Rik and Tom Young, who have given a fantastic display of determination, strength and sheer talent throughout the Paralympic Games. We hope that they'll pop in and tell us all about their experiences soon.
