

## **FESTIVE STOCKING FILLERS FROM DUERR'S**

This Christmas ditch the traditional satsuma at the bottom of the stocking and replace it with a jar of Duerr's Single Malt Whisky Marmalade.

The new festive range, exclusive to B&M Bargains, also includes Duerr's Traditional Mincemeat, perfect for making mince pies to leave out for Santa.

The distinctive jars feature a tartan strip and two stags, as well as an image of a whisky glass, along with all the familiar Duerr's brand heritage messages that Duerr's customers know and trust.

Each jar contains 3% of whisky and is ideal to thickly spread on lightly toasted bread. A 454g jar of Whisky Marmalade is 99p.

### **Duerr's traditional mincemeat**

Duerr's Traditional Mincemeat is made to an original recipe with apples, currants, and candied orange and lemon peel.

There's nothing better than a homemade mince pie over the festive season and the Traditional Mincemeat is in a 411g jar for 89p.
