

## **EIGHT FRIENDS, FOUR ROUNDS OF GOLF AND ONE AIRCRAFT RAISED £10,000 FOR CHARITY IN ONE DAY!**

Over the years we've always been involved in raising money for charities. But did you know in 1989 our Chairman, Tony Duerr, with the aid of an aircraft and seven friends, raised £10,00 for charity by playing four full rounds of golf in Scotland, Ireland, Wales and England...in one day!! They began at 4:00am and finished at 10:00pm, now that's good going!
